Meusson April 9th

[illegible]

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Rec^d Dir H^q Ar^y St Louis Aug 5/62

St. Louis August 5th 1862

To
Brig. Genl. Schofield
Commanding
District of Missouri.

General,

The undersigned in the name of his friends, Frenchmen like him, and soldiers in the United States Army, respectfully beg leave to ask you some information on the positive meaning of Genl. Order No: 11 relating to the subjects of foreign Powers.

When that infamous & wicked rebellion broke out, the French Emperor Napoleon issued a decree ordering all French subjects living in the United States to observe the strictest neutrality in the conflict existing between the United States Government & the Rebellion under the penalty to lose their rights as French citizens and protection of the flag of France. A great many Frenchmen, notwithstanding that decree, have taken arms in favour of the Republic & thus abdicating virtually their nationality by taking the oath of allegiance & faithfulness for the U. S. Government. They did become, I think, by so doing, American citizens. Repulsed by the government of their native land, it was natural that the Country for which they had taken up arms, should adopt them and give them back the rights which they had lost, by granting them the right of Citizens of the U. S.

We know that many of our countrymen, which

have already been soldiers during the three months
volunteer service, a year ago, & who have received pay
from the U. S. Government for that service, endeavour
to day to avoid the provisions of Genl Order No: 19
and the onerous duties imposed on every citizen
by the emergency of the situation. We, also, know that
on account of that order No: 19, they wish to put
themselves now again under the protection of the
government which they have assumed, accordingly
to the Decree issued by Napoleon on neutrality.

That course seems contemptible to us, & this is
the reason why the undersigned, in the name of his
friends, asks respectfully whether the benefits of
Genl Order No: 19 are applicable to the foreigners
which have already served the U. S. Government
& have taken the oath of allegiance.

Very respectfully

your most

obedient servant.

ARTICLES OF WAR.

ART. 92. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 92d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease, which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, no copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

VOLUNTEERS.

Disch. July 29, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adj. Gen. of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier for unpaid wages must be entered on the muster roll on which the discharge is reported, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used by the company commanders and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds a service. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Charges & Specification against
Capt. M. Lorenz, Comp D. 2d Mo Art;

Charge - Conduct unbecoming an officer
and Gentleman.

Specification. In this, that on Wednesday
the 5th day of February, he went into
Tony's Beer Saloon, being drunk
and ordered the proprietor to shut
up the saloon and also ordered
the Guests to leave, assuming the
authority of the Provost Marshall
and stating that he was acting
under such authority - and that
after he had ejected the Guests
from the place he himself remained
to drink beer for over half an
hour, thereby forcing the proprietor
to act against the rules established
by the Provost Marshall.
During all this time he having
demeaned himself toward the
proprietor as well as the Guests

in a very ungentlemanly manner.
When he left the Beer saloon
he went into the oyster saloon
attached to Tony's Beer saloon
and there repeated the same
treatment towards the proprietors
and Guests.

MODE OF EXAMINING A RECRUIT.

(From Tripler's Manual.)

"The Room in which this examination is conducted should be well lighted and large enough to admit of the men being walked about freely, that every organ concerned in locomotion may be subjected to inspection. For obvious reasons, none others than they whose presence is absolutely required, should be admitted to the room."

"The person of the Recruit should be washed clean before he is presented to the Surgeon for inspection. It is impossible for the medical officer to ascertain the existence of certain defects that *absolutely disqualify*, when concealed, as they effectually may be, and sometimes are, by incrustations of filth a month old."

"We have remarked that certain defects can be ascertained only by questioning the man himself, and that, in order to avoid all subsequent evasions, the answers to these questions should be recorded on the spot. We shall now suggest a method of effecting this object as well as of making it sure that no important part shall escape inspection through any slip of the memory."

"The Questions should be asked and the man's answers recorded before he is stripped."

"He is then to be divested of all his clothing and the examination proceeded with systematically, in the order of regions as indicated in the 'Form.'"

"The Surgeon is to note every peculiarity or deviation from the normal Standard in each particular region. For example: If the man has received at any time a blow upon the head with a resulting cicatrix or slight depression, let it be noted thus: 'Cicatrix and slight depression upon the right parietal protuberance.'"

"Scars upon any part of the person should be noted, and the cause assigned by the man, recorded. It is not uncommon to find marks of free cupping upon the chests of Germans, without there being any indication of disease. These however should be noted."

"If, upon inspection, the man be found to have a Chancroid, though not sufficient to disqualify, let it be noted under the proper head; and so of Hemorrhoids or any other affection. The vaccine scar and its position should be noted, and whether vaccination has been practiced at the rendezvous or depot."

"Under the head of 'Remarks,' Constitutional Syphilis, or other Onchocerciasis, will find a place. If an interpreter is required during the inspection, that fact should be recorded. Men sometimes speak English very well when first examined, who, from after considerations, are entirely ignorant of the language when re-examined, and sometimes succeed in obtaining a discharge in this way."

"By this means an accurate description of the whole person is obtained, sufficient to settle questions of identity, should such be subsequently raised; and if there be any defects about which a difference of opinion may exist, the fact that such defects were not overlooked by the first inspecting Surgeon will be apparent."

"It will frequently happen that an 'absolute disqualification' will be discovered before completing the examination. Such a defect may be detected at any stage of the inspection. In such cases it will of course be unnecessary to proceed any further."

"The above Form, when filled up, should be sent with the Recruit to the Depot where he is to be finally inspected, and thence transmitted to the Regiment to which he may be assigned."

"Defects discovered at the Depot upon reinspection should be entered upon the Form, and signed by the Surgeon; in case of Rejection, the document thus completed should be transmitted with the proceedings of the Board of Inspection to the Adjutant General of the Army."

Col. Sanderson
Provost Marshal General
Department of the Missouri

The application of the undersigned respects
fully shows that one George Lutz a member of the
1st Regt. 2d Missouri Inf. is indicted by the Grand Jury of the County of Saint
Louis as this applicant is informed last August
for the murder of one John Ellig, together with one
Hansen and Schilling. Lutz was first tried and
acquitted last November Term of the Criminal
Court. Upon the trial of Schilling and Hansen
George Lutz was introduced as a witness for the
prosecution and then testified to the fact that the
deceased John Ellig or somebody else had first
fired out of the house, before the fatal shot had
been fired by Valentin Hansen, whereby John
Ellig was killed. His testimony was corroborated
by the testimony of Schilling and Hansen
who both testified to the same fact (each of
the defendants being tried separately). Several
witnesses living in the neighborhood of the house
where John Ellig was killed testified at the various
trials had under the indictment against the 3d
party.

Col. Anderson
Provost Marshal General
Department of the Missouri

The application of the undersigned respectfully shows that one George Lutz a member of Company B. 24 Regiment Mo. Artillery was indicted by the Grand Jury of the county of Saint Louis as this applicant is informed last August for the murder of one John Ellig, together with one Hansen and Schilling. Lutz was first tried and acquitted last November Term of the Criminal Court. Upon the trial of Schilling and Hansen George Lutz was introduced as a witness for the defense and then testified to the fact that the deceased John Ellig or somebody else had first fired out of the house, before the fatal shot had been fired by Valentin Hansen, whereby John Ellig was killed. His testimony was corroborated by the testimony of Schilling and Hansen who both testified to the same fact (each of the defendants being tried separately). Several women living in the neighborhood of the house where John Ellig was killed testified at the various trials had under the indictments agst the 3 de-
fendants.

that they had not heard as many shots fired
as the defendants had stated.

Upon this premise after returning the Answer to
Mr. Seymour Villars saw fit to have George Lutz
arrested and to have him indicted for perjury,
and what charge George Lutz received of the U.S.
in action since has been held as a prisoner in the
County Jail of Saint Louis County ever since last
winter. The man is very sick yet and much weakened
by a protracted illness which confined him to his
bed nearly all last winter, and it is hardly possible
that he ever will recover if allowed to remain in
the filthy Jail of Saint Louis Co. As the man is
poor he has not been able to procure bail.

An application to Col. Cole Commanding 2d Mo. Ar.
Regt. has been to no result whatever and
the applicant therefore takes this course
in his endeavor to alleviate the cruel suffering
of the prisoner George Lutz.

And the applicant therefore suggests the
propriety of taking the prisoner George Lutz from
the jail and sending him to his Regiment
and produce him whenever his case shall be
called for trial.

As it is my intention within the case of
George Lutz will be ready for trial at the next

(the July term of the Criminal Court of St. Louis
County) and considering the state of health of
the prisoner, it would be cruel to keep the man
in jail during the hot summer months, the more
so as all probability no conviction can ever be
obtained in his case.

In explanation of the interest your applicant
takes in this matter I beg to state that the
undersigned was appointed Counsel for the
defendants Lutz & Schilling, they being too poor
to procure counsel at their expense, and being
consequently well acquainted with the facts in the
case and being convinced of the innocence of
the prisoner George Lutz I have deemed it my
duty, following the dictates of common humanity
to bring this case to the knowledge of the military
authorities, whose protection is herewith respectfully
solicited in favor of the unfortunate George
Lutz. Anticipating an early reply

I am the honor etc etc

Yours obedient servant

Extract from Act of Congress.

SEC. 12. And be it further enacted, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

SEC. 13. And be it further enacted, That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding three hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

NOTE 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same refunded.

FINAL STATEMENT

Priv. Jacob Lutz H. Co.
2^d Reg't of Wis. Heavy Arty.

VOLUNTEERS.

Died April 5 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 31 Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant should be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for mustered outmen and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of service, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or *RECRUIT*), the words as a common, (or *recruit*), as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of Pension or Accrued Bounty RECEIVED by the Soldier must be made on the back of each final statement.

any non-commissioned officer or soldier shall die, or be in the service of the United States, the then commanding officer of the company shall, in the presence of two other commissioned officers, make an account of what effects he died possessed of, above his personal accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to representatives of such deceased non-commissioned officer or soldier. None of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to representatives for the same, have occasion to leave the regiment or detachment, or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to respective representatives.

DECLASSIFIED SOLDIERS

132. Inventories of the effects of deceased non-commissioned officers and privates, required by the 85th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased soldier belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the Adjutant General with an inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, giving the date, place, and cause; to what time he was last paid, and any other effects in his possession at the time of his decease. A report will be noted on the next muster roll of the company to which he was assigned. Each inventory will be endorsed, "Inventory of the effects of _____, late of company _____, _____ regiment of _____, who died at _____, the _____ day of _____, 186____." If a large number of soldiers die, the Adjutant General will be reported. If the Adjutant General receives the effects of a deceased non-commissioned officer or private, he should be administered upon within a short period after his decease, and the proceeds to be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they are claimed by the legal representatives of the deceased. In all such cases of sales by the Council of Administration, a statement, in detail, of account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the _____ of the effects of _____, late of company _____, _____ regiment of _____, who died at _____, the _____ day of _____, 186____."

2.—The effects in all cases, when called for, should be turned over to a representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the donors, these inventories are sent to the Adjutant General, their forwarding should be attached to the inventory. In all other cases, they will be sent with a letter of transmittal direct to the Adjutant General, as a duplicate required by the office.

3.—When any one should be taken to take receipts in duplicate for any funds turned over to him; one copy should be sent to the Adjutant General and one retained by the office.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds in service. A master-in must, in all cases, provide payment of pay, bounty, pension, &c. A master-in will not, in all cases, be filed in the Adjutant General's Office as evidence of master-in. The recruiting officer, commanding, or assistant commanding of masters, as the case may be, will counter-sign both enlistments as having mastered the soldier into the service of the United States before either of them is given to the disbursing officer.

Form 1.—This book will be used for both collections and re-entries—abstract of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or adjutant commissary of musters, in the case may be, will commission both enlistments on having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

John H. Richardson
Capt & Pres Marshal

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

Edwin E. Sher
Surgeon & Dist. Surg.
EXAMINING SURGEON

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, Alexander S. Mackey
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties
of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service.
This soldier has gray eyes, sandy hair, fair complexion, is five feet
11 1/2 inches high.

Office of Provost Marshal

St. Louis June 24. 1862

Chas. R. Allard came: On last Saturday evening I was
passing (in my buggy) between Christy & Morgan, on 17th.
There I saw a crowd stand up and asked what was the
matter. A lady replied that a soldier who was on the
side walk would not allow her to enter her carriage. The
soldier was drunk, and said he would arrest everybody
that lived in the block; and was very abusive. I asked
the soldier what was the matter. He replied 'Some woman
hollored for Jeff Davis and that he would take all the
people about there.' I told him if he had any complaint
to make against those people he ought to go to the Provost
Marshal, and tendered him a seat in my buggy to take him
to the office of the Provost Marshal. He ordered me to drive
on about my business, and after being very abusive, he
left; saying he would come back with a party and
arrest every one in the block. I then drove away.

NOTES.

1. Three copies of this List will be made out on the last day of every month, by the Commanding Officer of each Regiment, or other independent organization, both of Regulars and Volunteers; one copy to be retained, one to be sent to the Provost Marshal General, at Washington, D. C., direct, and one to be sent through the usual military channel to the Adjutant General, U. S. A.
2. The amount of any extra pay for which the soldier may be mustered, *ex. gr.*, as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
3. In the column headed "BOUNTY PAID," must be entered the whole amount *actually* paid him; in that of "BOUNTY DUE," the whole amount yet due him.
4. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage done to each, specified.
5. When stoppages are due under sentence of court martial, a transcript of the same must be entered here, and the amount already stopped must be carefully stated.
6. A careful statement of the man's Clothing Account must be made to date, and the amount due to or from him must be precisely stated.
7. This blank will be used for both Regulars and Volunteers. For Regulars the column "Mustered in" will be left blank, and the caption changed to suit the facts. Should more room be required for "Remarks," a sheet of paper may be pasted on the end of the blank.
8. Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place.
9. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

To

Brig. Genl. Schofield

Comdg. District of Missouri

General:

In the absence of Col. Almstedt,
I beg leave to return the enclosed paper and
make the following statement.

On the 6th day of May 1862 the
complainant was brought before a regimental
Court Martial, on charges for disobedience
to orders, and disorderly conduct. While under
arrest, he had once or twice deserted his
place of arrest, and was then placed in
close confinement at Fort No. 4, the sentence
of the Regt. Court Martial, was "7 days hard
labor, to forfeit 10 dollars of his pay, and
be reduced to the ranks; which sentence was
approved by Col. Almstedt and carried
into effect -

I would state that the complainant
Martens never was a sergeant, but only
a corporal and if brought to and from the
Court hands cuffed, it was owing to his
riotous conduct during his confinement

I am General

Please return these papers

Apr 17th

St. Louis May 8. 1862.

To Genl. Schofield,

General, Permit me again to inter-
cede for Corp. Augustus Martins of Capt. Rissmann's battery
(E) 2^d reg^t Artill. Mo. Vol. He desired me to add to the
former statement.

That April 26 he was tried before a regimental Court
Martial - going & returning he was hand cuffed - on
charge not varying materially from those mentioned in my for-
mer statement, that ever since he has been confined in
Fort M^o if, not knowing the result of the trial.

It appears, that no testimony was given about his having acted
as Sergeant up to the time of the alleged offence, which I
think should have been done, to show that he had a color of
right to suppose himself wronged.

It would also appear to me, that officers of the regiment
were improper persons to try him.

If you deem his case
a proper one, I would ask to grant him relief; and
if he could be transferred to another regiment, or
at least to another Company he would thank fully receive
the transfer.

He sent me a copy of a petition which he
herebefore caused to be presented to Genl. Hamilton
but which seemed to have remained unheeded. I enclose
the same - & merely add, that Martins was afterwards

by Cap. Romaine, reinstated in his rank of Serg^t and
acted as such as stated.

Enclosed I send also a statement of
facts alleged by other soldiers of said Co. E., to have
occurred, which I noted down partly myself as
complaints were made to me, & partly were noted down
& sent me by some, at different times, & thus compiled.
I was requested to lay the matter before you,
but delayed it for various reasons. They were in
my possession when I saw you before in Martins
behalf, but kept them back, for fear you might deem
that I intended to influence his case by presenting such
statement.

I now present the statements, hoping that you
will not regard my doing so, as an act of intermeddling
but only as the performance of the duty of a citizen.
Of the facts I know nothing, but if it be necessary
or I will give the names of those who gave
information.

I have refrained & shall refrain from
giving publicity to those statements.
Lately also some complaints were made
from Co. H, some reg^t, but as yet they are too vague
to trouble you with them.

I am very Respectfully
Your obed^t servant,
Frank Spies

VOLUNTEERS.
Died Dec 14 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drilled man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and ordered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be verified upon the receipt of these master rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is destroyed. These accounts for back pay, &c., are called by the Adjutant General's Department.

NOTE 4.—Charges for extra pay, for extra services, extra allowances, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State, Territory, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drilled volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Dear Sir

I write this
note to you in order to inform you
of the circumstances under which
I was arrested & tried I was charged
with being drunk & cursing a
citizen in the streets of this place
a public house; where I was
recommended to go to find public
houses; I was given my sentence
I was taken before the Commission
& my charges read to me I immediately
put on trial I asked for witnesses
and was refused the privilege of
introducing any testimony in
my behalf Consequently I am still
retained as prisoner awaiting my

Sentance!

Now Dear Genl I
ask of you your kind interpo-
sition in my behalf as this is the
first time since my enlistment
that I have been put in a Guard
House & I am enlisted for three
years in Co C 2nd ^{Artillery} M V and
have served about one year of
my time & have ever endeavored
to discharge my duty as a soldier
and ever expect to do so untill
the time of expiration of service

I have never been drunk
on duty & not in the habit of getting
drunk at any time and have
never been from my command
one day untill this arrest & have
not even asked for leave of
absence & if this should meet
your favor I promise you
never will you be under

the necessity of reading
a nother long Note from me
asking Pardon for my Con-
duct either in the field of
Battle or in the Sented field
is the prayer of your devoted

They will be made out in duplicate in all cases—one to accompany the returning return of the enlistment (not the returning officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A master-in must, in all cases, provide payment of pay, bounty, pension &c. A master-in will not, in all cases, be filed in the Adjutant General's Office as evidence of master-in. The returning officer, temporary or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A master-in-army, in all cases, provides payment of pay, bounty, pension &c. A master-in-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments on having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

ARTICLES OF WAR.

125. When any non-commissioned officer or soldier shall die, or be in the service of the United States, the then commanding officer of troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. In case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the representatives for the same, have occasion to leave the regiment or by preferment or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

DECEASED SOLDIERS.

126. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier is a post or station absent from his company, it will be the duty of the commanding officer to furnish the required inventory and final statement, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the date of his death; or other effects in his possession at the time of his decease; which will be noted on the next muster roll of the company to which the soldier belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, dated at _____, the _____ day of _____, 186—." If a legal representative of the effects, it will be stated in the report. If the soldier has no effects, the fact will be reported.

127. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they are claimed by the legal representatives of the deceased.

128. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

129. The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, before these inventories are sent to the Adjutant General, their serial number should be attached to the inventories. In all other cases, they will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

130. Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent to the Adjutant General and one retained by the officer.

The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Doubtful pay by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his dependents must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement; otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF

Private Perry G. Mayhew
Second Reg't of Mo. S. Artillery

VOLUNTEERS.

Died Aug 8, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company; that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the checking account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury of baggage, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by the State or Territory, and not by the United States, will not be paid on this statement.

NOTE 6.—Amounts due the Soldier and his dependents must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement; otherwise the amount cannot be collected from the United States.

NOTE 7.—This book will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, or duplicate, to the Second Auditor, Washington, D. C.
